Is there an overview available which contains all sermons here? For example:

SID1234 Speaker Title

Thanks,

Ron

Unforuntatly that information is not readily available at this time. It is encouraged for people to download files one at a ti me. I am trying to hinder people from downloading the whole archive which wouldn't make sense unless you are thinking of distributing it freely on a large scale, to repost them all on the website without permission, etc. So its encouraged if yo u want to use a large amount of sermons for a purpose to (<https://www.sermonindex.net/modules/contact/>) Contact Us, most people download enough that they can listen to.
