Brother Yun, his interpreter, and Brother Xu - posted by revival9 (), on: 2004/7/19 15:50

There are 3 messages on SI preached in England earlier this year (2004) by 2 of the most famous house-church leaders in China. Their enthusiasm for the gospel is unbelievable! They represent literally millions of Chinese Christians. Yet they are simple, radiant men, running totally on Holy Spirit power. Their interpreter also gives a short message.

If I knew how to put the link here I would. But look in the S-Z section under 'Brother Yun'.
