For those of you like me who make a yearly trip to Springfield Mo. to Redeemed used music and Books (formerly known as CPO Used Book Store) you're gonna love this. Redeemed Books has finally gone online and has their VAST inventory of used books available for purchase!

Here is their web site:

(<http://www.shopredeemed.com/index.php>) Redeemed Books

If you're looking for classic Christian literature that has long been out of print, this is the place to go.

Blessings,  
Jeremy Hulsey

edit: I am in no way affiliated with Redeemed Books.
