**SermonIndex Image Banners [\\*\(link to SI\)](#) - posted by sermonindex (), on: 2009/1/3 23:41**

Saints,

Here are some image banners you can download to your own website to link to [www.sermonindex.net](http://www.sermonindex.net). Any links back to SI really help the site rank better in search results so that many more lives can be impacted by these old preachers.

I've linked to SermonIndex on my forums, and when I code up the index pages, I'll add one of these banners too. :)
