These messages have had a very profound effect upon my life! I listened to these a few years before I discovered SermonIndex...and I tend to listen to them at least once or twice a year.

This older message by Brother Leonard Ravenhill deals with several issues, including showing "fruit unto repentance," as well as the need to desire purity of heart more than "fire." If you haven't had the opportunity, I encourage you to hear this message. I pray that the Lord bless each of you with this message!
