Hey

I just wanted to ask those who feel led to pray for the people in Mexico and those around the world that are dealing with this Swine Flu. I'm just praying for Gods hand to be upon them and care for them in this time. May hearts be turned to Him in this hour and Jesus be lifted up!!

Amen. Have and will continue to ask GOD to halt this thing once and for All - Amen, and Amen.

My husband and I are missionaries in Mexico. A sister in the Lord told me that it has already spread to this area we live in, she's a school teacher and they have seen it come to the schools here. I was at the store yesterday and a woman next to me was talking about how her husband is super paranoid not wanting to leave the house for anything fearing that he will catch this. Please pray that the Lord would give us the words to speak to these people. We mentioned this in our outreach this weekend, that people above this sickness, have a greater sickness, Sin! Hope the Lord would use this to draw men and women unto himself.

Hi Chris! Thank you for your prayers. Josef and I went out today and so many people are wearing masks for fear. All the schools here are shut down till May 6th (from Pre-School to Universities).
