Help me find a Brainerd excerpt? - posted by flameoffire (), on: 2009/4/28 10:32

Hello all,

I read The Life and Diary of David Brainerd about a year or so ago, and I find it to be one of the best things I've ever read. I want to refer a specific section to some friends, but alas, I did not mark the section, and now I seem unable to find it. I have the 2006 edition published by Hendrickson, and if anyone has the famous portion where Brainerd prays in "chind eep" snow from sunrise to sunset marked or highlighted, could you please refer me to a page number and/or the date of the Diary entry. Ravenhill mentions that part a lot as do others (members, speakers, and writers alike) on this site. Any other excerpts you would suggest would also be appreciated. Thank you and God bless.
