My sister is fighting cancer and if you would like to stand in prayer for her please visit her website. My older sister set up a website with updates on her condition. It is <http://www.caringbridge.org/visit/lindyhorne>

Thank You, very much. The fight is on.

Blessings,

riverhooks

We are praying for you Lindy. "The Fight is On" indeed. Your website is an inspiration. Prayer, Support from family and friends, and those "belly laughs" are powerful weapons.

Hi riverhooks...

I am praying for your sister and your family. May the God of peace give you the encouragement and peace that you need...and may that peace sustain you in Him.
