I heard once on a compilation Paris Reidhead talking about a vision he had of standing before Christ at the judgment seat and his works were burnt to ash. Does anyone else remember hearing this, and what sermon or compilation it was from???

Thanks,

Will have to revisit, but I'm pretty sure it is in the "So Great A Salvation" series. Not sure which part, but the whole series is well worth a hear.

Paris' account of that vision is from the series, "The Basis For Missions" and it's at the end of his message called, "The Principles of Missions." I was listening to this series today and the whole series is really good. :-)

Was excited to see a homeless ministry, and went back to look at the website and found that the ministry is closed. So sorry to hear that, will pray.
