Saints,

There will be a prayer meeting tonight at 7pm CST with David Ford leading with a message that God has put on his heart. We are working on getting the live webcast functional for tonight on www.revivalconference.com

Please be in prayer for the Barnsdall city and conference and for revival.

I tuned in and got a view of the sanctuary, on the edge of the screen (center kept the notice "tune in live" in a black square, just reduced in size). Audio working (piano music) and video working on the edges had movement. After a short time I site disappeared from my computer. this happened twice.

Is anyone getting continuous picture/sound? (ie my computer as the problem).

This situation has continued. I am assuming the connections are being worked out.

I also called the live prayer call (now 7:15pm central) to join live prayer. now working I called 1-218 339-2222 with code 7729#

Praying for these things.

Yielded to Him in every matter.

Joan

I was able to tune in for parts of it and was encouraged.

what time will that be for norway :-) anyone know a timezone map ?

Re: , on: 2009/6/2 9:55

CST is Central Time Zone

And brother Christian, if you google, 'barnsdall, ok time' it should bring up the exact time in Barnsdall right now.

Hope that helps!

The Lord's presence was powerful last night. He is surely in our midst. Please be in prayer for the conference preparati on today (technical details, registration, etc.) May each person keep their eyes fixed on Jesus!
