My sister replied back:

Please take me off your list

Bottom line the message was that it is our responsibility as good Stewards to take care of the precious earth that GOD has given us to use – what He made for us was Good – we should want to leave it that way too

And you find bad in the message – amazing

Please take me off your list of emails –

Thank you

I replied back:

Hi Bonnie, your not on any e-mail List, I have none nor ever will. And no, discern deeper Bonnie. I care for my own home-land yes neighbors tell Ron and I that our lawns are the best on the block. We don't glory in that because it's only God who gives the increase anyway. But what Keith is presenting is heathenism (man is man's own saviour etc.) What we are seeing today, from God's perspective, is His Judgment coming on the earth: Remember the Book of Revelation? Look what happens in there - things are destroyed because God is judging sin - for men loved the works of their own hands, the worshipping of demons (vain philosophy - which are doctrines of demons) rather than submitting to the Righteousness of God which is found in Christ Jesus our Lord (Isaiah 55), not twisting Is. 55 into 'saving the planet'. You are sitting under 'man' not a 'man after God's own heart' - but rather a humanist-environmental-technological-godless 'man-sermon.' It's indoctrination Bonnie which totes the Bible, says all the right stuff with much mixture to get it's 'process' across. Message received; "Humanism - Save the Planet". It's the same philosophy Bonnie, the public gov't. schools are teaching - there's only one Devil and he's very much at work. Discern it in prayer Bonnie, because something is wrong!

It's not of God nor any jealousy for His Word Bonnie. Discern it and test things what Keith is saying. He's a humanist Bo

nnie, can you not see it. With each sermon of his he is presenting 'a process' which brings God's Righteousness into question. To take Isaiah 55 and make it about 'saving the earth' rather what Isaiah 55 is saying, is heresy. It's philosophy Bonnie, vain deceit. Keith is a U2 humanist contributor - he's no 'true believer' Bonnie, he's out deceive you and your children. Love "protects," remember - even your huge christmas picture (you gave me) says so. Protect your children from this dialectic process - words, words, words, to no avail except rebellion to God. These Gnostic's Bonnie hate anything in regards to Obedience to God and The Fear of God etc. Keith is preaching 'a so called knowledge (science)' and that process makes inroads to faith to take others away from Faith in God. Have Faith in God Bonnie even about 'the earth'. Don't you remember Paul in Colossian's warning them about "philosophy and vain deceit" and to Timothy about 'so called knowledge'? Bonnie, I'm telling you in Jesus Name, the spirit of this age in Margaret would easily lead her there if she was privy to Keith - she would be at home with his so called 'Father's Day' sermon because it upheld the care of 'the planet' rather than Honoring "Our Father's" (1 of the Ten Commandments). Protect others from the world-system in these types of churches Bonnie - Love is our Purpose so speak it out and speak it out in Love (to protect in Jesus name).

I wrote back to my sister:

Protect your children and others from 'this process' Bonnie, that is Love. It does not 'delete' it protects. Blindness in this day and age is 'bad' Bonnie.

My sister eventually, because I came back for her to answer what 'does' (God's Word) point out in Isaiah 55, for people to 'protect and save the planet' or does it point to Jesus Christ (God's ~word~), she eventually said this in her last e-mail to me:

Then she (Bonnie) wrote to me:

Sister

Hi you all,

This is the sermon I was warning my sister about:

It's on this page:

<http://www.springcreekchurch.org/archives.html>

Then to get to the sermon click on "Janurary-June 2209" and then see the top (if you see this before this next Sunday) s
ermon click on "This Is My Father's World".

Notice, this was an emergent churches Sermon on Father's Day!

God bless.

Re: - posted by enid, on: 2009/6/26 9:24

I only listend to about 10 minutes of the message, but that was all I could take.

We, as Christians, can't have dual focus.

It is either on God or this earth.

You can sense it's more like a humanitarian 'we have to do something about this' feel in what they are doing. But using
scripture at the same time.

Maybe your sister understands more than she is letting on.

Just pray. What else can you do?

God bless.

Re: - posted by jsisrl (), on: 2009/6/26 10:07

enid thank you.

I've listened to it 3 times, and the more I listened to more I heard more twisting of God's word.

For instance:

I've listened to this Father's Day sermon 3 times now (as mentioned) of my sisters (so called) Pastor and picking up thin
gs I missed the others times:

This pastor said that if you help protect the planet that you will connect with God. (Contrast to: John 14:6)

He also mentioned: If others see you protecting the planet that others will see God. (Contrast to: John 3:3)

_____Example - from the sermon this same Pastor Keith Stewart said:

He says: Quote: "This is the wonder of 'Creation!' is that that that when we manage it properly when we take seriously o
ur Charge! that He gave to the first man and women to protect this place that people see and connect with God."

He says: Quote: "This is the marching order of the Church. To help people see the more clearly see The Living God both
in our example and in everything that God has made."

This is his youtube by the way:

<http://www.youtube.com/watch?v=ZhvKMVRtJrg>

He deletes any of my wholesome comments to him in that video.

And when I lovingly corrected him (in 2 e-mails) in another sermon on his twisting of Col. 2:20-22 he reported me in Facebook. And Facebook, when I contacted them will not 'tell me' why they gave me a warning, they said this:

Romans: 13:13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying.

2 Cor. 11: 12 But what I do, that I will do, that I may cut off occasion from them which desire occasion; that wherein they glory, they may be found even as we.

13 For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

Bonnie, I ask you, was the Apostle Paul in strife and envy when he willed to 'cut off occasion from them which desire occasion' - them meaning: (v 13), 'false apostles, deceitful workers, transforming themselves into the apostles of Christ'?

The desired occasion Bonnie with Keith and all the other 'go green' churches (so called) out there is humanism 'to save the planet' which is only a cloak to murder believers who preach Godly restraint to whosoever will's to listen: The Gospel which tells men to deny themselves, pick up their cross and come and follow -----> Jesus Christ. Bonnie, U2 (the band) is what Keith is of - they are not believers Bonnie and you are not going before a man who preaches on his stage the Words of Our Lord and Saviour Jesus Christ but who merely exalts himself and his own works. That is humanism-Gnosticism-Socialism etc. They are deceivers Bonnie.

Re: Bow down to mother earth and her husband Baal., on: 2009/6/26 11:12

In the ancient world, The worship of Earth, and Baal worship, the worship of the Sun, had leavened itself into every nation tribe and tongue. There was however a remnant. The great Job, the most ancient book in the Bible, writes of his abhorrence of bowing down before the idols associated with the Sun, and the Creation. Job saw it as Satanic, and evil.

Also, the great apostle Paul writes, in Romans 1, inspired by the Creator Himself, His abhorrence of a mankind that exalts and worships Creation, above the Creator. He continues with the argument that "they are without excuse" for the order of the Universe spells it out for them; God created the Earth and all within it, along with the Natural cosmos, and nothing that was made, was made, except by Him, and through Him.

This wicked order of worship, Baal worship, was never eradicated, and after Noah, was solidified and centralized at Babylon. Even today, the Roman Catholic church exhibits all of the symbols of Baal worship, being the most direct descendant of it we know in the west. I would have to say that perhaps Hindi culture would be the icon of it in the East.

The Sun is God, and the Earth is the Mother, and we as a people must both sacrifice to her to appease her, and protect and venerate her to please her. Whales, cows, rats and even bugs become more important than people, and to save one is to save the other. Man is but the empowered priests, stewards, that might ensure that She, mother Earth is not offended. Unborn babies then become part of the primal orgasmic pump, the same as the blind albino minnows that dwell in a cave that have their own rights to survive; especially in the face of cruel man's progress. Mankind is the enemy, and we must decrease after all, and this is another attempt to return to Paradise where mother will take care of us IF we take care of HER.....worship.

To understand this completely, you must see that to these devotees, the Earth is alive, with a personality; a being to be feared and honored. She is a God. This is New age Humanism, that is morphing beyond the secular ideas of science, into the reality of an ancient Religion.

I also listened to as much of this video as I could stomach. This man is but a New Age motivational speaker/apologist. This is the thing; It is a SPIRIT! A seducing anti-Christ spirit. What is the anti-Christ except he who denies the Son? If ear the heaven has won out here. There is no gospel, no adoration of Jesus and honor of HIS sacrifice, or any holy preaching of His Word. It is essentially a feel good Pagan meeting, with some forms and terminology of true Christianity. I agree with our brother who counseled to pray, for it seems her heart is hardened, and she has no ears to hear.

We cry, "HELP LORD JESUS!", as we see our loved ones trapped and bound.

Is she using pride to attack what she perceives as pride? That is hypocritical. Having her friends make fun of you saying that you're over the top does not stop strife, that's just cheap. Just because someone has beliefs that you don't agree with doesn't give them free reign to mock you. She should be ashamed of herself if she wants to perpetuate peace.

I've also asked a few Pastor's to listen to "Keith Stewart" to get their discernment on his "Father's Day" sermon. Still waiting for their replies if any.

Thanks you all. Really.

Can you believe it? Please also pray that my sister would come out of those types of Apostate churches (so called).

Re: UPDATE: - posted by jsisrl (), on: 2009/6/29 20:42

Update:

My sister had my father call me, for warning my sister but he would never say what my sister told him or the topic he wished to talk about. He just wanted me to talk, but I merely asked him 'what does he mean about Bonnie and I and what did Bonnie tell you about me? He was just trying to catch me in my words to accuse me as my sister did with him. I didn't not give the devil ground. When I finally told in honor toward my father, that I will not listen to any accusations, my father quickly said, "then good bye" and hung up his cell phone. This time I did not get emotional with my father in trying to defend myself, to warn my sister is not bad it is Love.

Spiritually this is how my encounter with my father went:

James 4:7

7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

KJV

Re: - posted by jsisrl (), on: 2009/6/29 22:20

In short:

My dad didn't really get anywhere with me because I asked him what Bonnie was telling him and he wouldn't so the journey Bonnie put my father on didn't go anywhere and my dad hung up the phone confounded because he couldn't catch me in my words because I had no accusation or complaint to give him about Bonnie. So Bonnie only made herself and my dad (for taking her side) look rather silly.

Re: - posted by enid, on: 2009/6/30 6:39

Does your sister believe that the Bible is the word of God?

If not, no matter what you say, you are talking to yourself.

There are those who preach the word of God and don't believe it, so why should the listeners?

We could name them too, but let that serve another thread.

Also, if we do believe the word, then we will recognise what it says in 1 Tim 4v1-2 about giving heed to deceiving spirits and doctrines of demons and having their conscience seared with a hot iron.

Also, 2 Thess 2v3 tells us that there must be a falling away.

It will happen.

That does not mean you do not warn people, but we warn and pray, as only we can do.

We can only put our trust and confidence in the Creator of heaven and earth.

And wait on the Lord.

Re: - posted by jsisrl (), on: 2009/6/30 12:35

Enid, amen! Keep them in your prayers please.

My sister reads the NIV (of a socialist translation etc.) But if you ask her she would say yes and that she loves Jesus with all her being. My father when he hadn't fallen away, even told my sister in love that she has blinders on. But he won't hear that from me if I would tell him that, so I don't. But I had told my sister that a few weeks ago in e-mail - that's the only place she'll talk with me is e-mail she won't even call me anymore since last thanksgiving holiday (so called).

My father can not hear about warning others now that he had fallen away more than 10 years ago when he divorced his 2nd wife (my mother had died 10 years prior). My father is seeing those who rightly warn as unrighteous - like how John the Bapt. warned but he got his head cut off. My dad, yesterday used that story to make John the Bapt. look unrighteous and hence due to that he got his head cut off. He's equating 'suffering' to be due to reproving others like King Herod. He believes John the Bapt. had no right to speak to Herod in that manner - he says that was NOT of the righteousness of the Lord. My father, I love him very much, is not understanding The Word of God. My dad has past sexual issues so he sees John the Bapt. as wrong for reproving Herod for his sexual manners.

UPDATE:

My father called me again this morning. He said he wanted to apologize for the past - for us seeing him getting into arguments and debates over God's Word - and he had a junk-yard dog in him at times of the past. He was saying that that seed (of arguments etc.) was planted in his children (in me). I told him, "Daddy I agree with the arguments and debates - it is wrong - but I do not have that seed". He then said, "well, have a good day" and hung up.

My father is trying to naturally figure out how and why I am wrong for warning my sister, he's never heard from me what I had told Bonnie (my sister) nor did he tell me what Bonnie was accusing me of. My sister has only caused my father to present to me a fleshly-sacrifice to somehow ~change me~. But I am not of that fighting-seed, he can not see the evidence of God's Holy Spirit in me because he chooses always to hear my sisters accusations against me. One apology my father said was when he was trying to tell his brother (my uncle Ricky) of that dangers of his belief - he was a Jehovah Witness who does not even believe Jesus is the Son of God - their into works based salvation etc. My father was right to warn his brother, but the fighting argument was not right which I agreed with him but I also told my father that him correcting him was not wrong.

Thank you again Enid for this word:

1 Tim 4v1-2 about giving heed to deceiving spirits and doctrines of demons and having their conscience seared with a hot iron.

It's so very hard to come to terms with this word when it comes to my family - especially Bonnie. I had a Godly Fire still in my bones to warn her.

I had a dream about 7 months ago where I was walking outdoors and here came to the Moon and hit the earth about 2 football fields in front of them and the first thing that came to my heart and mind was "Where IS BONNIE". I went running to find her and I found her in a hospital and I took her out - due to what just happening - and when we got outdoors she was then able to walk.

That dream has been on my heart ever since. I know God is the only one to save Bonnie and He works through us at times, once we are whole enough and humble etc., to snatch others out of the fire. And if The Lord does use us we know it's all Him always - it wasn't us - Jesus Is Lord.

Enid, these verses more shout to me when it comes to my sister (see below) And your so right Enid in 1 Tim 4 God may need to cause me to know that this is exactly where my sister will remain as He wills and you mentioning this to me might be God's first olive branch to me through you. But until it fully comes and it might, this for now is still what I constantly hear in my ears (when it comes to my sister):

It is Written:

Jude 20-25

Jude 20

20 But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost,

21 Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life.

22 And of some have compassion, making a difference:

23-----> And others save with fear, pulling them out of the fire; hating even the garment spotted by the flesh. And have mercy on some, who are doubting; 23 save others, snatching them out of the fire; and on some have mercy with fear, hating even the garment polluted by the flesh.

Re: Apostate Church - The Emergent Church~ - posted by jsisrl (), on: 2009/6/30 16:06

You all,

I just noticed that "Keith Stewart" (this so-called pastor) deleted all his sermons in Jan-June 2009 and only has this current Sunday Sermon called: The High Cost of Living in Me-Ville

In this sermon he's trying to put a guilt trip on you if you are not like the Emergent Church who are like them - 'christ followers'.

These emergent church are making believers look foolish if we do NOT become 'christ followers' like them. And their 'christ' is the false christ and so is that body of christ.

Their bible is the Eugene Peterson's word and if we are not into that 'bible' the true believers are selfish.

In this sermon (above mentioned) Keith mentions that he's reading a book called "Generation Me" by Jean M. Twenge and he says it plain that "she happens to be is a Professor of Psychology at San Diego State University." And he goes on to quote her. You can see her (Jean's) book here: <http://www.generationme.org/>

From what is gathered from Jean's book that Keith so likes is that she 'tears down' so that she can then publish the United Nation's New Order Order that your 'dreams' only come true IN THE COLLECTIVE - IN THE GROUP THINK - IN THE "ONE WORLD ORDER".

Then in this same Sunday Sermon: "The High Cost of Living in Me-Ville" he mentions Victor Frankl saying that 'he was a leading Psychologist'....and then quotes him and says 'it's true'. Here's the quote: "Don't aim at success - the more you aim at it and make it a target, the more you are going to miss it. For success, like happiness, cannot be pursued; it must ensue... as the unintended side-effect of one's personal dedication to a course greater than oneself." And that quote is written here: Viktor Frankl, Man's Search For Meaning

So in short, this so called pastor is quoting from what even Keith says "he's not a believer" from a non-believer who (what he calls) is a leading Psychologist, to his congregation and to my sister. And I've only listened to 14 minutes of this new Sunday Sermon so far. And he's listed 2 Psychologists so far.

Please keep praying for my sister!
And Keith.

Re: - posted by enid, on: 2009/7/1 5:48

The sermons have not been deleted. They have been moved further down and the July-Dec 2009 sermons have replaced them

I think it's because June just ended.

Personally, I tend to turn a deaf ear to psychologist. Even so called Christian ones.

If this 'church' is all you say it is, then we have to see we don't get caught up in the deception that is taking place.

All we can do is pray.

Keith's (so called) church is APOSTATE: - posted by jsisrl (), on: 2009/7/1 12:08

enid, I see now your right thank you so very much. Amen - pray! Did you listen to the sermon, at least 10-15 minutes. From the start it sounds like they played a sound by 'Queen'. Incredible. Keith in the beginning quotes a pagan man to highlight how socially 'good' the disciples were, but it begs the question: Why did most of the disciples murdered then? Keith truly has an agenda (the United Nations - World View). You'll hear it, enid - if you listen to even the first 5 minutes you'll also hear the 'guilt trip' he lays on but he raves on 'springcreek' (of course).

He's more so introducing pagan folks who are Psychologists and their sayings in this current 'me-ville' sermon.
