"A Wonderful Deception"

A "Wonderful Deception" examines the new spirituality (that is taking place before our eyes) that is essentially the same as that being used in today's New Age movement. And while biblical prophecy is being minimized and explained away, the "new science" is being used to prepare the world--and the church--to accept a New Spirituality/New Worldview and a false New Age Christ. This book explains how all the puzzle pieces are in place for the "strong delusion" described in 2 Thessalonians. A "Wonderful" Deception pierces right into the heart of this deception while preparing believers in Jesus Christ to effectively stand against it.

Five years after writing "Deceived on Purpose: the New Age Implications of the Purpose Driven Church", former New Age follower Warren Smith continues to reveal how Christian leaders--wittingly or unwittingly--are leading the church into a spiritual trap, into a spiritual deception.

Some key areas this book addresses:

- *How a "broad way" Christianity is deceiving many in the church
- *How the "new science" will try to prove that God is "in" everything
- *How Rick Warren continues to align himself with New Age sympathizers
- *How attempts have been made to discredit critics of the Purpose Driven movement
- *How the best-selling novel, The Shack, fits into the "wonderful" deception
- *Ten scriptural reasons not to be connected with the Purpose Driven movement
