I trust some can arrange to visit and hear Keith Daniels live in these meetings!

Re: - posted by Lawevangelis (), on: 2009/9/29 18:56

We had a blessed time with Keith here in Justin, TX. Keith had a good deal of liberty on Saturday night and preached a powerful message in two 50 minute parts on the false teachings influencing America today. On Sunday morning he preached an amazing message on the Scripture's teaching on money, about 100 verses from memory. It seemed he had even more liberty than the night before. The church was full.

Sunday night, there were far fewer people there. Keith preached a straightforward gospel message. No one responded and Keith made only one appeal.

Saturday afternoon, we were blessed with powerful preaching from Mack Tomlinson (Prayer and Evangelism), Randall Easter (The Glory of God and Evangelism) and Mike Gendron (Evangelizing Roman Catholics). All of the messages were anointed. We're currently working on the DVD's and audio files and will make the audios available to SI.

On Saturday night, about 20 believers took the gospel to the streets of Fort Worth. The gospel was preached on two corners and many lost souls heard the unadulterated gospel. Several saw open-air preaching for the first time.

The Lord alone knows all of the fruit which came from this event. We were all challenged to go much deeper in our street evangelism and were encouraged to pursue godly living. It was truly a wonderful time of fellowship and feeding in the Word.

Blessings,

Jon Speed

Thank you for sharing about your meetings, brother. Praise the Lord for the work He was able to do in the hearts of all those who attended.

Our meetings officially start tomorrow evening at 7pm. Please pray for these meetings. There are over 200 people registered to stay at the camp who are coming from all over the country. May God do a great work in the hearts of His people, a work that glorifies and magnifies Jesus Christ!

Re: , on: 2009/10/1 19:22

Please pray for the meetings in Missouri. They start tonight!

Re: , on: 2009/10/4 8:38

This morning is our last session with brother Keith. The Lord has been doing great things this weekend, but there is still a greater work to be done. Please be in prayer for this morning's service and for the Lord to have His way in the hearts of people. Pray especially for the youth.

Re: , on: 2009/10/4 13:53

Thanks, Joy! I remember meeting Keith at the revival conference in Greenock.. he seemed such a humble man of God, able to reach the young people (he was talking to a few young people by the entrance at one time and they were listening so intently). I have never heard a man deliver the Word like he did then; God really used him to reach into the hearts of many, including my own.

Praise God for Keith Daniel and the burden he has to reach out and share the truth of God's word, where so many compromise, or are blinded.

Please give us an update, if you can, of the meetings. I've been joining others here in praying for them. :)

Re: - posted by twumpsanders, on: 2009/10/4 20:51

Brother Speed,

I had the privilege of hearing Keith this past weekend at your church. I was wondering if there would be a way we could purchase or otherwise obtain the tapes or audio copies of the sermons he preached there?

In Christ,
Sean Sanders

Re: , on: 2009/10/5 23:02

This evening brother Keith preached in Rhinelander, WI. He will be preaching there tomorrow night and Wednesday night.

Rhinelander, WI
Rhinelander Congregation (meetings at Pine Lake School)
7pm - nightly (Keith)
Wednesday (Jenny), supper at 5:30pm

And tomorrow I hope to give an update on how the meetings went at our family camp. Thank you for praying!

Re: - posted by Lawevangelis (), on: 2009/10/6 8:47

Sean,

We should have the audios ready to go this week. We're planning on sending them to SI so that everyone can listen.

We're also working on DVD's of the conference and once they are available we will let everyone know through the Texas Revival Series email list. Those will be available by donation only.

Blessings,

Jon

Re: - posted by Lawevangelis (), on: 2009/10/6 8:49

BTW, we just got an email this week from a dear woman who attended the Justin, TX meetings who said that she came to faith in Christ on Saturday night. Interestingly, Keith made no appeal on Saturday night, but the Lord lovingly brought her unto Himself. Praise God!

Please keep this conference in your prayers!! I am so excited to have Keith Daniel coming to Florida - he is such a godly humble man. If anyone is in the area, please come! I looking forward to what the Lord will do next week! Pray for my siblings and I also, since we will be singing at the conference. I pray that we won't sing for praise of men, but to the Lord alone.

May the Lord stir a revival in our hearts through this conference. Keep us in your prayers!

This conference looks great. I do wish I could be there. Will you be recording Keith in video? I would love to add them and the audio to sermonindex and youtube.

Re: - posted by ohgiselle84 (), on: 2009/10/20 23:56

I'll ask the pastor in charge and let you know if we can upload some stuff! I would love to have it available for everyone, but I'm not sure if they have the equipment to record. Thanks for asking!
