Saints,

Please pray for a safe and good crossing at the USA border today on my way to germany. I will be teaching at a bible college in germany for 4 months. <http://www.ccbcde.com/>

Thank you for praying saints. I will be posting the class materials and audio on SI, the class I am teaching is: The Theology of Revival and Spiritual Awakening.

If you can pray about 2pm for a safe border crossing etc that would be great. thanks brothers and sisters.
