Messages for children - posted by TomfromOZ, on: 2009/10/27 21:06

G'day all

I recently downloaded a great message, from S I, called "ringing the bell" ,about a swazi warrior who became a warrior for the lord.

I shared this story with my 9 year old who has been greatly blessed by it as well.

My question is - Can anyone point me in the direction of other messages, testimonies etc, from this site (or elsewhere) that are edifying and suitable for this age group?

Thank you for any suggestions.

Tom
