Thanks Greg and everyone serving at Sermon Index - posted by Blunt, on: 2009/10/30 15:54

This past week Kieth Daniel came to the Tampa for the Bible Conference and gave us 3 nights of some of the best preaching and exhortation with a sincere heart my ears have heard. The Lord really opened me up like a can of sardines. What a blessing!

Well I would have never heard it, if my brother in law (the pastor of the Bible Fellowship) didn't find sermonindex and give Brother Daniel a call. It's a small/new church plant and the conference was very fruitful.

Thanks everyone. Bless you.
