Believe it...abortion funding is in healthcare bill

A national pro-life group is warning members of Congress that a vote in favor of the 1,990-page House healthcare bill is a vote to establish a federal government program that would directly fund abortion-on-demand with taxpayer dollars.

Page 110 of H.R. 3962, the Affordable Health Care for America Act, authorizes a new government health insurance program to pay for all elective abortions. Douglas Johnson, legislative director for the National Right to Life Committee, explains.

"This is a federal agency, a federal program, of course it's going to spend federal funds -- that's the only kind of funds it's got," he notes. "So all of these assurances that some prominent Democrats, including President Obama, have given that there won't be federal funding for abortions, that's not what's in the bill." ...

Revelation 18

Â 1After this I saw another angel coming down from heaven. He had great authority, and the earth was illuminated by his splendor. 2With a mighty voice he shouted:

Â Â Â "Fallen! Fallen is Babylon the Great!

Â Â Â Â Â She has become a home for demons

Â Â Â and a haunt for every evil spirit,

Â Â Â Â Â a haunt for every unclean and detestable bird.

Â 3For all the nations have drunk

Â Â Â Â Â the maddening wine of her adulteries.

Â Â Â The kings of the earth committed adultery with her,

Â Â Â Â Â and the merchants of the earth grew rich from her excessive luxuries."

Â 4Then I heard another voice from heaven say:

Â Â Â "Come out of her, my people,

Â Â Â Â Â so that you will not share in her sins,

Â Â Â Â Â so that you will not receive any of her plagues;

Â 5for her sins are piled up to heaven,

Â Â Â Â Â and God has remembered her crimes.

Â 6Give back to her as she has given;

Â Â Â Â Â pay her back double for what she has done.

Â Â Â Â Â Mix her a double portion from her own cup.

Â 7Give her as much torture and grief

Â Â Â Â Â as the glory and luxury she gave herself.

Â Â Â In her heart she boasts,

Â Â Â Â Â 'I sit as queen; I am not a widow,

Â Â Â Â Â and I will never mourn.'

Â 8Therefore in one day her plagues will overtake her:

Â Â Â Â Â death, mourning and famine.

Â Â Â She will be consumed by fire,

Hi Greg...

This is very true. I have been reading through the bill. The term abortion appears many times...and it even states emphatically that there WILL be public funds (our tax dollars) used to pay for abortions. In addition to using the term "abortion," there is quite a bit of ambiguity in the alternative terminology for abortion that is contained within this bill.

Very importantly, both the House and Senate bills effectively make it illegal to not purchase health insurance for yourself or your family (by penalty of fine...or subsequent criminal penalty). In other words, if you do not purchase health insurance for yourself and your family that is approved of by Congress, you will be given a hefty fine. Continued reluctance to either pay that fine and also purchase government-approved insurance will result in a criminal record and possible jail time.

After reading all of this, I have been reminded of the anti-Christ's confederation of 10 nations that will force ALL (small and great, rich and poor, free and slave) to receive a mark in order to buy or sell (Revelation 13:11-18). I imagine that Satan, through this confederation, will make it seem like a "good idea" too.
