

**Revivals And Church History :: This is interesting**

**This is interesting, on: 2009/11/19 10:04**

I met a Korean at the Greenock Revival conference about whom I will say little, except that he is an earnest pray-er for God's work in Korea, both north and south.

Here is an extract from the most recent PN4N email, which I opened today - the last day of the Revival conference in south Wales.

'The video clip below is a short message from Gail Dixon, the head of the Celebration for the Nations, especially for Korean Christians. She is expecting a new revival in Wales, where the flames of the gospel have died down (but the sparks are still alive), and is encouraging people to pray and worship.'

Amen.

Thank you for posting this. God is surely at work in many of His people worldwide it seems. Many He is giving a similar heart-cry.

Praise God!
