Prayers needed for the Long family, on: 2009/12/4 1:00

Hi guys,

An update on young Luke Long. Luke is the son of Brian and Martha. Brian is the pastor of the church at Barnsdall where sermonindex had its revival conference. Brian was also a speaker at Wales. His son Luke, 12, has now been diagnosed with Leukemia. You can find out details at www.caringbridge.org. Put in lukelong, one word, and enter an e-mail and you can leave the family encouraging messages. Please pray for the family. They are a wonderful family with five kids. Thanks guys. Let us come before the throne together.....brother Frank

I hope many can pray for brother Brian Long.

He hosted the revival conference Barnsdall in his church. And recently spoke at the Wales conference.
