Just wanted to share a testimony of God's goodness in transforming lives.

About a month ago my wife invited a couple to our fellowship (Mike and Patty). They began to come, and acted like they liked it very much. Wed. night a young evangelist ministered on the topic of healing. Mike responded to the message, and we prayed for his physical healing. He had fallen from a tree, had several back surgeries, and was disabled and had much pain and trouble walking. God touched his body in a powerful way and he walked out without his cane, also walking 7 blocks to a store the next day without cane and without pain. Patty, who has been diagnosed with a laundry list of illnesses was also prayed for, but without much of a manifestation of healing in her body.

During the next couple of days, the enemy really attacked Patty, even with jealousy over her husband's healing. A couple from the fellowship spent an evening ministering to Patty. She expressed that she did not feel like she had been genuine with the Lord, and was not really sure of her salvation.

Tonight, through the events of the week, God broke in on their lives in a very powerful way. Mike was able to forgive himself for an accident of the past in which a dear friend had lost his life, and was able to really receive Christ's forgiveness. Patty as well was able to say, "I know beyond a shadow of a doubt that I am forgiven."

Their lives are being transformed in a powerful way. Praise God! Pray for them that Patty will receive the physical healing she desperately needs as well as for continued spiritual growth.
