Giving away some books, on: 2009/12/11 15:01

Hello Friends

I have some books here that I am giving away. **I will only send one book** anyone that wants one postage paid. If you live overseas it will go surface which may take up to 1 to 3 months. All the books are in VG condition. These are all old books. All hard cover.

"Thirsting for the Springs": Status: TAKEN

by JH Jowett D.D. This book is about seeking God. It's an old book, probably early 1920's. The table of contents are inviting and someone may enjoy this book. I have never read it but what I have read of it it is good reading. 252 pages

Next book is entitled, "Christian Ministers Manual": Status: TAKEN

This is one of those books that a Minister would carry with him in conducting weddings and funerals, baptisms, comfort, visiting the sick, communion etc.. Each subject is given instruction. 239 pages. If you like form and formula this book is for you. Book looks to be from the 60's.

"The Life and Ministry of W.V. Grant":

We have all heard of W.V. Grant. This is a 100 page booklet about his biography. circa 1952

I have a book here by Evangelist Sam Todd entitled, "Born to Win". I was about to put it on here when I read some of it and it's that damnable prosperity messages. It's hard to believe that stuff was being touted back in the 60's. No, this book will be good in lighting a fire.

The next book is called, "The Best of Billy Sunday".

These are 17 sermons of that famous evangelist. Book is in VG condition. circa 1965 and has 350 pages.

"The Christ of the Indian Road", by E. Stanley Jones. circa 1926. 213 pages

I'll be posting more as I sort through.

I have more books to part with:

A couple of good Reference Books if anyone who is interested in studying. Remember these are free and I WANT to send them to you so don't feel like your abusing my generosity. I've already sent a book overseas so I don't mind doing that.

The Torah:Hard Cover. VG condition. 393 pages.

The Gospel of the Kingdom. A popular exposition of Matthew by Charles Spurgeon Good condition, HC, circa 1893. STATUS: TAKEN

D.L. Moody, "The Greatest Evangelist of the Nineteenth Century" This is a biography, SC, 159 page pocket book, good condition. circa 1959 STATUS: TAKEN

T. Austin Sparks, "Living Water From Deep Wells of Revelation" Vol 2These are selections from his works. SC, 181 pages. VG condition.

Haralan Popov, "Tortured for his Faith".good condition, SC, 158 pages.

Howard Carter's Classic, "Spiritual Gifts".Now here is a book for anyone that is being used in the gifts or is hungering for the gifts. At the time, it took me ages to find this book. I have read and have enjoyed it and I hope you'll give it away after you've read it. 96 pages

D.L. Moody, "The Overcoming Life". A Moody Classic, SC, 135 page pocket book.

"Bill Drost the Pentecost" A Man with a Destiny.This is one of those books that tell of the Baptist man who thought the Pentecostals were nuts (and we are), and then finding himself being filled with the holy Ghost and speaking in tongues. Loving story of encouragement. I loved reading this man's story of faith, courage and the power of God. Anyone who has a leaning towards the manifestations of the power of God or just simply hungering after God's Spirit will enjoy this book. 115 pages, soft cover.

"Into His Harvest"Like the book above, this is another testimony of one man's story from being a sinner to being a saint and thrust into the ministry. This again has Pentecostal leanings. Again, good food for the hungry.

"Upon The Rock", The Sacrifices of a Japanese Nurse for a Young Church. I have never read this book. From the back it's about a Nurse who built a Church in a community where she had stiff opposition. Good for anyone who is looking into the mission field or has a heart for it. Soft Cover, 158 pages.

Re: , on: 2009/12/13 9:01

Someone asked me why I am doing this. My intention is twofold. I want to deplete the books that I have had in boxes for many years that are not doing anything. Some men and women can have a literary collection of books in their library. It seems that I am unable to. It's like wearing a ring, some people can wear it and think nothing of it, I on the other hand cannot. My personality is to boast it. I have been prideful of my collection. There are books that I can't put on SI because they are not Christian based, but their wholesome content will serve another audience. I have several bibles that I will be giving away. Also the Reese Chronological bible, STATUS: TAKEN.

I also have some Scottish sermon books dating back to 1775 which will be my most hardest thing that I will have a hard time parting with. I prided myself having this library and it's that pride that I don't want. There are just somethings that have to go out of our lives and for me this is one of them.

So please you are doing me a great service by sharing these with you. I hope to come to that place where it will be just God, Me and the Bible.

Thank you Friends

I have some books to part with: Please note, these are being sent to you free of charge, postage paid. Please take advantage of my generosity. PM me with address. Thank you.

Those of you who are interested in T.Austin Sparks I have two books.

1) What is Man by T.Austin Sparks. This is an older hard cover book in good shape. 131 pages

Inside cover reads: "A reconsideration of the tripartite nature of man-spirit, soul and body: and a review of the believers position in relation to present world conditions and the activities of the evil powers."

2) Living Waters From Deep Wells of Revelation Volume 2". Just to be sure, this is not a book about the book of Revelation. Paper back, good copy, 181 pages.

A lot of this books content is the Union we have in Christ. You'll love the table of contents. This book would be good for someone who is interested in learning about our place in Christ and to what purpose He has called us into.

This book is Colin Urquhart's book, "Faith For The Future". Paper back, good, 203 pages.

Another book entitled, "Holiness" by J.C.Ryle. Good copy, 219 pages.

More to come....

Thanks

Dear Brother,

Thank you so much for your open generosity. I would be very interested in the book in your earlier post:

Not I but Christ by Watchman Nee.

If that book is not available then:

Holiness by J.C. Ryle

would also be amazing.

Re: , on: 2009/12/30 22:12

I will send them both. Thanks for your interest.

Re: - posted by flameoffire (), on: 2009/12/30 22:18

I cannot thank you enough. I feel so blessed that God has sent a number of wonderful books my way free of charge. So often we studious types can be tempted to be covetous or prideful about books. Your generosity is truly touching (even fronting the postage!). I hope God gives me the opportunity to bless you in some way in return.

Re: - posted by Miccah (), on: 2009/12/30 22:28

Received the book brother. Many blessings and thanks goes out to you from me. :-)

Love ya

One of the most difficult things for me is parting with books. I have a hard time just giving them to a local book shop. When I thought of SI and the many people that come and go here, I felt that I could distribute them through this venue. I have some ancient books that I don't think I have the heart to part with, I had several of them re-sewn and repaired. The LORD may put His finger on that collection and I'll have to give them up.

Lets praise the LORD together for His goodness, for He is Good.

Re: , on: 2009/12/30 22:36

I have another book going out next month for you Miccah. I am glad that everyone is getting them. You have no idea how much you are blessing me by taking them.

God Bless and love ya too!

Re: , on: 2009/12/31 19:05

This is another book that I am giving away postage paid.

"The Words of Christ" An Illuminated Volume.

This is a very attractive book in calligraphy. The NASB of the New Testament. Only the words of Christ in red print, nothing else. Very lovely. This would be good as a gift to someone who would appreciate it. Hardcover, dust jacket.

Sorry I haven't been here in a while my brethren. How is everybody?

I just wanted to thank you Brother DeepThinker for the book! I received it a couple days ago, and I read the last chapter first, since it pertained to some struggles I'm going through right now. It really hits home with me and made me weep a little! I can't wait to give it a read this weekend, as it definitely is the book God wanted me to have. May He bless you!

By the way, why have you become anonymous Brother? Much love to you!
