one narrow way. - posted by samraj (), on: 2009/12/23 16:36

what to say my dear brothers ,it is so mysterious and hard to trace out the born of God,it is so dubious and superficial is the current way of christian living,that there is no emphasis on repentance and holiness,this way of religion can be compared to a hole in the boat which may be the very cause for destruction and confusion.

one thing has not yet changed that the way to heaven is still narrow only few can find it ,even son God had witnessed the same.

PAIN SUFFERING ,LOSS OF FREINDS AND RELATIONS MAY BE THE COST WE HAVE GOT TO PAY TO WALK IN THIS NARROW WAY,SO LET US REASON WITH OURSELVES .

it is not so easy to be a christian ,some times our names would have been written in the communion book ,but the question is whether it is written in the lamb's book of life?

A godly man looks so odd in an ungodly world ,cause his aims ,goals ,works ,motives totally differs from that of the world .

finally i like to conclude with these words by saying that "CHRIST JESUS OUR LORD IS THE NARROW WAY WHICH LEADS TO LIFE ETERNAL"

Let us not be discouraged to walk in this way ,remember that THIS SAME LORD JESUS IS THE HEAVENLY MANNA WHO WILL ENABLE US TO WALK TILL THE END OF LIFE.

jesus is the authour and finisher of our faith.
