

**SermonIndex Support :: download**

**download - posted by helpmeet, on: 2009/12/31 12:14**

I wd like to download Zac Poonen's sermon, "Making Whole Hearted Disciples" but I can't seem to locate anywhere to click 'download.' Thank you for your help. Sincerely, My husband's helpmeet.

To download the featured sermon, first left click that sermon. When the new screen comes up, you want to right click the name of the sermon and go to "save as". You can rename the file how you would like. Hope this helps...

Adam
