I have asked the Lord to answer your prayer for all these folks. Certainly nobody is impossible. John Bunyan seemed im possible too, but now we have Pilgrims Progress thanks to him.

If you all don't mind praying for fast healing on my spine it just does not go away. Also pray for the peace of the Lord to b e with me during my back injury. Also please pray for the Lord to set me free from the bondage satan has on my life with some of the idols in my heart. The other prayer for me is that the Lord gives me a holy desire for his word more than any desire i have. I was looking at some old pictures of mine and remembered my past sin that i was in with my wife before we were married and i now se all the consequences of that sin with her, I just want the Lord to brin blessings back in my life, i hope he does.

Hi John,

Sorry to hear about your back injury. I will pray.

I believe the bondages of which you are aware, are already broken, if you have honestly prayed over each one of them for that breaking. However, the enemy wants you back, and he will continue to put the screws on, until you have grown strong enough to experience a level of freedom in those areas, which you feel is glorifying to God. However, it would be naive to imagine temptation will vanish, and to be waiting for that as sign of freedom.

1 Thess 1

8 For from you sounded out the word of the Lord not only in Macedonia and Achaia, but also in every place your faith to God-ward is spread abroad; so that we need not to speak any thing. 9 For they themselves shew of us what manner of entering in we had unto you, **and how ye turned to God from idols to serve the living and true God;** 10 And to wait for his Son from heaven, whom he raised from the dead, *even* Jesus, which delivered us from the wrath to come.

Luke 17

12 And as he entered into a certain village, there met him ten men that were lepers, which stood afar off: 13 And they li fted up *their* voices, and said, Jesus, Master, have mercy on us. 14 And when he saw *them*, he said unto them, Go she w yourselves unto the priests. And it came to pass, that, as they went, they were cleansed. 15 And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God, 16 And fell down on *his* face at his feet, gi ving him thanks: and he was a Samaritan.

You might find it interesting to read up about how leprosy was dealt with under the Old Covenant, and to think about ho w it was that some people got it, and, that it spontaneously resolved in some cases. Do you think, perhaps, that some p eople, after they became leprous, had a change of heart, and that is why then they recovered?

I'm just wondering. The Bible doesn't exactly say that, but we know that God sees the heart, and that is our best hope. He does not leave us alone thinking we are okay if we're not. He keeps on reminding us when there is a problem, until we do whatever it takest to be sorted.

I'm in agreement in your prayer. God bless.

Praying for all those folks, your back and you. The Lord came to set us free so that we will be free indeed. It warms the Lord so much when we walk in His forgiveness. That's why He came - He didnt die in vane when we walk in forgiveness . We all have fallen short of the glory of the Lord one way or another. But Jesus died for all those fallings short and when we have repented - He says He will remember them as far as the East is from the West. He makes us white as snow. So, with a smile on my face - I say, dont dwell on them. God has erased them from His memory. That is why we can have joy unspeakable and full of glory. I am not as far along as most on this site with my relationship with the Lord but I hope this helps a tad. God continue to bless you as He loves you dearly.
