

Welcome & Intro :: Hello Beloved in Christ**Hello Beloved in Christ - posted by kathleen1 (), on: 2004/10/11 20:35**

I found this web site a few months ago, and I truly have benefitted from listening to Bro. David Wilkerson and Pastor Carter Conlon's audio sermons. My heart's desire is to be more like Jesus, and have the baptism of the Holy Ghost. To get my eyes on Him instead of this sick and dying world. Nothing compares to his magnificence and I thank God for this web site. Sorry it took me so long to "get up from the table" and go exploring other features of this site, besides the downloads. I haven't found another site that is this good. They have good sheep food here! My screen name is Shalee but my real name is Kathleen, Shalee is my 2 year old daughter. When I registered, Kathleen was already taken, so I used my baby's name because I like it. God bless.

Blessings to you,
How I thank God for you and the heart you share. share with you that same hunger. More of Jesus and less of me.
I pray He bless your walk as you seek His will.

Welcome!

I started with the opposite way; getting hooked on the forum and then FINALLY checking out the sermons.

I would agree... I love David Wilkerson! I've only listened to Paris Reidhead and Jim Elliot off of here (maybe others), and I would say I love Wilkerson the best.

This website is VERY encouraging! May God move on each of our hearts to show us how we can be a support to this blessed ministry!

Hi! Try Carter Conlon-he also pastors with Bro. Wilkerson at Times Square Church. They are both highly anointed. Some of my favorite Conlon downloads are "Almost Persuaded" "The Devil's Nightmare" "Run for Your Life" Also, check out www.tsculpitseries.org where you can sign up for David Wilkerson's written newsletter. He sends it out every 3 weeks, free. It's a text version of what he preaches. It's great. And he doesn't ask for money. God bless!!!
