Happy Birthday Brother Greg!! - posted by Choo, on: 2010/4/13 8:52

Wishing you a very special day, my brother.

We are so thankful for you! God has and is using you greatly to connect the body worldwide, who have not been satisfied with shallow modern day Christianity. We thank you for brushing off the dust, for recovering sermons and teachings of many mighty men of God from bygone days that we can sink our teeth into. There is nourishment to be found in their words and lives! Also, A big thank you for awakening us to the dire need of a revival in our day; and the great effort you have made to help us set our sails when/should it come, by way of the revival conferences. God has been much glorified by your life, my brother!

I have been praying very regularly for you. I believe I know some of what your heart's desire would be, and am praying specifically for them. Be encouraged, eye have not seen, nor ear heard what God has prepared for those that love and fear Him! He has great plans for you! Your future is bright!! Rest in Him!

Thank you saints. I am 31 years old now and God has been very good to me. I am anticipating a year of trusting the Lord and serving Him for His approval alone!

It is the Spirit of God that works in use BOTH to will and to do, according to his good pleasureÂ...

It is this same Spirit that leads us to repentance and into all TRUTH.

It is this same Spirit when silent speaks a multitude of words.

Happy Birthday brother Greg! Count your blessing, thank God for the trials, see God in everything and you will be reminded of his grace, mercy, faithfulness, and goodness.

Keep faithful to the task/ vision God entrusted to you. Become that vision, be faithful, and finish strong so that God will get all the Glory!

I just want to let you know that I've been blessed numerous times on this site. So I thank God for this ministry.

by his grace,
bro. Eugene
