All the chatter about sanctification and pleasing God...

...well, these sermons were downloaded some time ago; however it was not until yesterday, while working, that they were listened to.

Everything that has been overcome within the past five years in my own life finds resonance in these sermons, as does the (check)list provided here yesterday from Johnny Mac's study bible (The Character of the Saints):

(if you missed them, again for your inspection, in black and white, no holes barred, his starter list.

(Personally i would have put: love (#17), then hope, then faith(#6), then joy: following number 1
