Who is your favorite Christian figure outside of the Bible and why (and maybe share who he or she is so we know who you're talking about)? For instance the early Church fathers, an Anabaptist, a Reformer, or even a group of people, or even someone more modern like Richard Wurmbrand or Brother Andrew or Brother Yun or the like. You can also post several which would actually be better. I would like to hear just to learn more and ponder these things for edification. Especially as I am not thoroughly studied in all of Church history to its specifics. Or maybe even just share something from Church history that you deem notable to post. I would love to hear from you!!!
