They are having a Memorial Service to honor all who died this past Year. The ones who worked at the Air Force Base. Please pray for us. Even though my Husband Homer died in July 2009, I'm still grieving. God has and is helping me, but I ask your Prayers for us today. Thanks so much. God Bless you all. Nellie

I'll be praying for you Nellie may God's peace rest upon all who are mourning today and be comforted.

It was a wonderful Service and they gave us a Memorial Book with all 66 of the people who were honored today. My Husband would have been proud. Thank-God for people who care on SI. May God continue to touch all of us, and may we grow in Wisdom & Knowledge of Him. Nellie
