false comfort - posted by MaryJane, on: 2010/6/7 10:43

"No doubt, millions are in Hell because those around them gave them false comfort. These so-called friends were full of false pity, or so much in the dark themselves, that they did not let the sinner remain anxious until they submitted their hearts to God."

-CF 1865

Thinking a lot about this lately.
God bless

INDEED!!!!!! Pity for the wicked is a wicked act indeed! Bring them the words of life in Christ. But do not do the work of God. Leave their feet in the fire. It is God's work to quench the flame of guilt. It is He who is One offended by our sin. It is called the Gospel of Peace for those who turn to God. It remains the stench of death for those who are perishing.

Well said and "Right ON!!"

By His Grace.
