My wife is being sworn in as a U.S. citizen later this morning. God is good!

Thank you all. There were 120 people in 47 countries that became citizens today. It was a first time experience for me and it was interesting to see.

I see lots of parallels to the Christian life and if led I'll share more on this later.

I'd be interested in hearing more, Ed, I am in the beginning stages of helping someone get their wife over here, etc...email me if you want, bro...thanks

Sure, no problem Brother Josh. What can I do to help? Just let me know and I'll be glad to do what I can.

I hope and pray that things are going well with you. Things are wild in the Pugh household but it's all good. God is too amazing for words but I'm blessed to be in a church where the word of God is spoken in love, but with power and authority.

Feel free to ask. I'll be happy to do what I can. EDIT (Sorry Josh I hit the wrong button as you can see! Feel free to drop me a line at your convenience. Sorry folks...)
