MOST SHOCKING VIDEO

A mini-documentary less than 4 mins long that shows actual proof of "Kundalini"-type spirits invading the church. Truly shocking footage - but so necessary for the church to see. Here is the link-

I encourage everyone to watch this video, it really shows the plain correlation between demonic activity. Oh that the Church would wake up to these things. The devil is duping a amusement frenzied generation with a feel good counterfeit! Oh saints awake!

Re: MOST SHOCKING VIDEO - False spirits Invade, on: 2010/6/29 22:15

As I have said all along, the Catholic mystics were but an extension of these demonic KUNDALINI activities, and absorbed them with from Rome with Christian terminology. It is the Xerox copy of the same Satanic practice as was practiced for Millennia....as seen in IHOP, and Todd Bentley, Rick Joyner's fellowship and the Roman Catholic monasteries of today...

Madame Guyon and others were never born again, but practiced the exact same Transcendental Meditative Practices as the East.....it has been accepted as the Norm, and it is demonic and evil. Strom is right on this one, and I applaud him.

This is turning into the perfect storm.....but I will say this. The Lord has shown me that they will get no where. He has chosen a bride that cannot be deceived.

Thankyou!! Yes - it is an "intense" video - but I wish we could have made it even more intense!

Re: Kundalini and convergence., on: 2010/6/30 6:19

The key word for today is CONVERGENCE...which is essentially a streaming of New age Christianity into one fist.

The NAR, The Prophetic Movement; Rick Joyner, The Prayer Movement; IHOP, YWAM, the Church Planting movement, the semi-gospel of the emergent church, social activism.. etc. all converging to command the 7 mountains of influence to dominate the world for Christ.

Joyner's NAR and political connections are tied in with Sarah Palin, who is ultimately connected with Conservative Politics, which tie in with business figures and lots of cash to achieve their vision of a balanced world for Christ....

All of this is being mainstreamed and legitimized by conservative mainstream figures such as Sarah Palin, and a flu

rry of successful Pastors and teachers , too numerous to name. It is Christian Nationalism forming before our eyes. Tod d Bentley is negotiating with Oprah Winfrey for a television reality show about healing. Kundalini Tube!

The Herescope Blogspot has the most extensive reference to this topic available, with scores of endnotes, videos and documentation. .

We are watching the great falling away unite before our eyes...and these are major players.

The Kundalini is the manifest power of their prophets. Who knows how strong it may become? It is really happening. Sometimes I have to pinch myself....

Re: - posted by enid, on: 2010/6/30 6:35

It is a bizarre and shocking video.

Makes the need for revival all the more urgent.

Re: - posted by Areadymind (), on: 2010/6/30 9:15

Andrew, do you know if any of these big headliners have actually started using the term "kundalini" in any of their meetings? I thought I had seen a video clip once where they did. It might have just been a caption on the video though.

Re: - posted by StarofGOD (), on: 2010/6/30 9:18

Tom,
Why do you say that Madame Guyon was never born again??

Dear brother Tom, on: 2010/6/30 14:12

in the past, you might have regarded me as an "adversary, or some weird freak apostate, who's grabbed the wrong end of the stick, and i might have regarded some of your postings as harsh, which i humbly ask your forgiveness, but i must tell you;

EVERYTHING you wrote in your previous post in this thread is spot on perfect, and i humbly say, yes and amen.

EVERYTHING, its almost as if "rome" seeks to devour us once again, but i know this, we have two knees to get upon, we have the Word, and we have the Lord Jesus Who said He will NEVER let us go.

Thank you in the Lord for that post, neil

(i havent even watched the video yet, i've seen this mess time and time again in the 8 short years i've walked with Jesus , imperfect as that walk may be, may God bless Tom)

Kundalini Psalms at Morningstar....video, on: 2010/6/30 16:14

Since we are on the subject of Kundalini power, I would submit a video that may fall into the category of outrageous.

This is actual footage of a young demon possessed woman, used as a lightning rod, "To release" an anointing, as a vehicle of worship, at a Morningstar meeting.

The odd thing, and dangerous thing about it, is that it isn't demonic at all to these young people. I think that after you have been initiated by receiving this power, this "Kundalini", you become numb to the actual conviction of the Holy Spirit.

You begin to see the gospel and worship in the same light as the devils promoting this madness....and thereby become controlled by them.....and eventually....if you cannot or will not repent; Fall Away from the Living God.

Its actual name on youtube is "Rick Joyner's Morningstar Madness". They lay hands on innocent children. In their m

inds, they worship Jesus. Some, I believe, know better.

<http://www.youtube.com/watch?v=YMxNwBwJOXU>

This may grieve some, or nauseate...but it is real, and this is pure pagan Kundalini, in one of it's forms.

On a lighter note, How would you like this young lady to come over for dinner, and pray a blessing on the food, with grandma and grandpa there.....and go on for about five minutes of this pagan chant-moan.....look up wide eyed, and say.. "OK!...let's eat!"

Think there might be some leftovers?

Indeed it is.

The manner in which these people's bodies wiggle, writhe on the ground remind me so much of a snakes' reaction after its head is chopped off! (Yes, I have witnessed many a snake being killed.)

Thanks for posting this, Andrew.

Hi everyone,

BrotherTom, a couple of things that you wrote stood out to me because I recognised them in a different stream recently:

'...social activism... etc. all converging to command the 7 mountains of influence...'

I mentioned in another thread that I had watched a program called 'Democracy now'

https://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id=34054&forum=48&6

since then I watched the program several times. Once near the end of a program they featured a segment from a rapper performing at an event called the US Social Forum, held in Detroit Michigan and described in another story at the website for DemocracyNow as connecting various "social movements and community organizations struggling for justice on everything from healthcare, the environment, fair trade, labor solidarity, immigrant rights, and racial profiling to Palestine solidarity, ending the wars, police brutality, and the devastating impact of the recession on people's lives and sense of security."

A few of the lyrics immediately jumped out at me and look like they flow into the same stream of things that you mentioned:

"emergence,
we on the verge of an Earth shift,
while you searchin for purpose,"

She goes on to say something about 'parallel universes' but I couldn't make out all of the words.

The rap segment appears at 40:20 minute mark in the program here:

http://www.democracynow.org/2010/6/24/3_us_soldiers_speak_out_on

The rapper is named invincible and I think they have a new album called 'emergence'.

I believe that Babylon the great is not only the false religious system of the World, but it's political, social and economic in influence as she sits not only upon seven mountains, but upon many waters.

Interesting, the thought, of many streams, converging into one. I guess that is, emergence.

IT would be helpful if someone would define what 'kundalini' is and what the Hindu perception of it is. Anyone?

Re: Kundalini power; Ancient sorcery., on: 2010/6/30 22:37

jlosinski said;

"IT would be helpful if someone would define what 'kundalini' is and what the Hindu perception of it is. Anyone?"

Sri Ramana Maharshi maintained that the Kundalini energy is nothing but the natural energy of the Self, where Self is the universal consciousness.

The Hindi perception of god seeking is to awaken the inherent god in the self...through a methodology involving Transcendental Meditative yoga.

"Kundalini awakening is often accompanied by new experiences, which can at times be daunting for those for whom the concept is unfamiliar. According to an article in Yoga Journal, some of the more common signs and symptoms of an awakened kundalini include:

Involuntary jerks, tremors or shaking,
Intense heat, especially as energy is experienced passing through the chakras,
Visions or sounds at times associated with a particular chakra,
Intense feelings of pleasure,
Emotional purgings in which particular emotions become dominant for short periods of time.
"wikipedia."

Kundalini is called an Igneous Power or Serpentine Fire.

"According to inplainsite.com"

“Few Christians realize that for thousands of years gurus have operated with gifts of healing, miracles, gifts of knowledge, and intense displays of spiritual consciousness as they stretch out and connect with a cosmic power which, though demonic in origin, is very real.

The meetings which mystic Hindu gurus hold are called ‘Darshan’. At these meetings devotees go forward to receive spiritual experience from a touch by the open palm of the hand, often to the forehead, by the guru in what is known as the Shakti Pat or divine touch.

The raising of the spiritual experience is called raising Kundalini... After a period when the devotee has reached a certain spiritual elevation they begin to shake, jerk, or hop or squirm uncontrollably, sometimes breaking into uncontrolled animal noises or laughter as they reach an ecstatic high.

These manifestations are called ‘Kriyas’. Devotees sometimes roar like lions and show all kinds of physical signs during this period. Often devotees move on to higher states of spiritual consciousness and become inert physically and appear to slip into unconsciousness when they lose sense of what is happening around them.

This state is called ‘Samadhi’ and it leads to a deeper spiritual experience.”..

Toronto....Lakeland....Morningstar....and everywhere that inward transcendental , soaking, "contemplative" prayer is practiced...and everywhere that they allow the sorcerers ... to craft their magic....Let it be Anathema...Cursed...until the Lord comes.

Re: 7 mountains conquered to unite the Christians ...martyrs, on: 2010/6/30 23:45

"I believe that Babylon the great is not only the false religious system of the World, but it's political, social and economic influence as she sits not only upon seven mountains, but upon many waters."..ChrisJD

Revelation 17:1-6

"Come, I will show you the punishment of the great prostitute, who sits on many waters.

2. With her the kings of the earth committed adultery and the inhabitants of the earth were intoxicated with the wine of her adulteries." This title was written on her forehead:

MYSTERY

BABYLON THE GREAT

THE MOTHER OF PROSTITUTES

AND OF THE ABOMINATIONS OF THE EARTH.

6. I saw that the woman was drunk with the blood of the saints, the blood of those who bore testimony to Jesus.

9"“This calls for a mind with wisdom. The seven heads are seven hills on which the woman sits.”

It is written that anti-Christ will be given authority over the entire Earth. This, in itself must require a convergence, a toppling of the powers that be, into a One World system. It must be political, social and economic, as you have pointed out Chris.

It seems that ALL of Babylon has One thing in Common. They hate Jesus, and they murder His people. Religious Babylon seems to be shaping up to nurture and facilitate this, and indirectly engaging the true church with bits of the counterfeit in a progressive manner; Swallow a tiny kernel today, and apple tomorrow, a watermelon on Saturday.

The 7 mountains of influence by so called Christians that are Emerging are slightly different, but have always been the same culturally. They are: Government, Education, Media, The Arts and entertainment, Religion, Family, and the Foundation of them all: Business....For without money, you really don't possess the means to conquer anything!..

This idea was supposedly given to 3 Christian leaders simultaneously in 1975....Bill Bright, Loren Cunningham, and Fr

ancis Shaeffer. It is a hybrid, brilliant Ecumenical idea that eventually promotes inclusiveness...god is love type of faith...and they are emerging unto this as we watch.

It seems that the Holy Spirit, and the gospel of Paul, unto the least of the brothers is meaningless. This is essentially a gospel that preaches a social hijacking, in order to dominate the influences to dominate the faith of the entire world, and the gears are ran by the cash.

The prophetic power to numb the conscience is powered by "Kundalini"...as it always has, since Babel. The tares are being bundled.

Yes - so much of all this deception is very "New Age".

"Tom,
Why do you say that Madame Guyon was never born again??"

StarofGod, I'm not Tom, but I will share a bit.

But the main thing that I want to share is her prayer method vs that of what is taught in the bible. I do not wish this post to become an attack on M. Guyon or turned it into a discussion of her. That discussion has already been done in another thread and I would prefer to just leave it as that. The reason I'm even writing this post is because of the below.

Very very recently while I was in bed it suddenly hit me that when we pray, it is not looking inward onto ourselves and that this was advocated by M. Guyon. I do not know why it suddenly hit me so hard (as when I pray I always think of Jesus /God in Heaven and though I kind of knew it it didn't hit me as hard when it was mentioned by others as it suddenly hit me now). Also, I wasn't even thinking of anything close/related to her or inwards prayer at the moment. I then tried looking inwards into myself to pray but could not do so. Thus, begun my journey to read more about her (I have previously a long time ago read some things about her and had no wish to delve further then, plus there was a recent thread about her which I did mention exercising caution but I did not realise as much as I know now than then) which culminates in this post of mine.

I read her autobiography and her works on A short method of prayer.(can't say I read every single word as it really will take up several days). From her autobiography, I don't think that its solely her own doing of all the things that she have experienced. Could be other spirits or God helping her/with her.

But its from her teaching on how to pray that caused me the most concern. She teaches about looking inward and being silent--the highest degree of prayer (silence is highly regarded by her where no words are spoken either from her to God or vice versa) where there ultimately is great joy and union with the Lord. I can't recall seeing her mentioning about praising God in her prayers (if there is, its being overwhelmed by her urging to look inwards and being silent. She did mention speaking in the beginning but that is more like 1st degree of prayer and is not the type of prayer we ultimately want to achieve).

But if you look at the bible and how prayers are done (eg: the Lord's prayer, Daniel's prayer, Hannah's prayer, Jesus's prayer in Gethsemane etc), you will see there are always words spoken audible or not (at least this is what I recall of the bible). There's confession of sin, praising God, presenting requests to God, claiming on God's promises etc. The prayer method that she teaches seems so different to the prayers mentioned in the bible. This worries me a lot. Also, when we are completely devoid of self like what she suggest, we open ourselves up to spirits (both from God and evil spirits). So t

his raise a red flag to me too.

I understand that when we pray, we may at times remain silent to hear from God or at times we seem so far removed from ourselves and so close to God. However, these times are not pervasive so as to be so different from the prayers in the bible.

We get a lot of comfort and assurance when we can feel God's love in our heart and when we hear others say the same thing, we feel as if they know God. And it can also not be denied that it gives us a lot of happiness and pleasure when we feel God's closeness within our heart.

But I cannot and will not use this to justify that this is the right prayer method (as per taught by her) when it does not fall in line with the bible.

The bottom line is regardless of whether she is born again or not, I WOULD NOT encourage anybody to follow her prayer method as it does not seem to align with the prayers in the bible.
