Hello, I am new to the forum. I had a question. I have been listening to Revenhill for some time, but I came across a youtube video called Agony. It is a small part of a sermon or a complication of sermons that I would love to hear the rest of . Can anyone help with this?

Thanks  
Dfaulk

Someone mentioned in the comments that its from the sermon "The cost of discipleship". You can find the full sermon in youtube.
