I am out in wisconsin this weekend right now and my wife's grandfather is jewish unsaved and has his doubts it seems about faith in God in general, i tried to show him Isaiah 53 he wouldn't read it so i read a few verses, pray for his salvation , he also has some small amount of cancer that they will try to get rid of soon. His name is Marty, please pray for my wife and my whole family for their salvation.

John,

I will be praying for your wife's grandfather but to help you understand where he's coming from, listening to some Art Katz's sermon's would help tremendously. I've picked out three that would help (if anyone knows any other's, let him know!!)

Here they are:

Wandering Jew Comes Home (his testimony at Kathryn Kulhman service)
