Here is a clip of some street preachers that were arrested by an atheist officer. I think its sad what is happening in our c ountry, I believe it is only going to get worse.

While I am not sure of some of the preachers tactics of evangelism, I still believe it is not right what officers did, asking th e crowd if they should leave or stay, reminds me of the Roman Coliseum.

"There is no Jesus, There is no God, there is no devil."

Then the police officer strangely says that these Christians were "Communists."

Strange, isn't the first sentence the fundamental manifesto of communism? There is no God? We should pray that this man is convicted deeply of his sin and realizes that Jesus is the Christ, the Son of the Living God.
