Hello youall. God has so kindly led me to this site and I'm excited about it. I have been lukewarm for a while but Jesus has gotten me back on track and I say hallilujah Jesus! Thank you all for being who you are.

You go girl. It is time we stir up our first love and follow hard after Him. Time is short and we need to be ready at all time s.

Glad to have you on fire again.

Praise God! Keep abiding in Him that you donot become a withered branch (John 15). Keep yourself pure, & set a guard over your heart that He alone may reign and rule. Grieve not the Holy Spirit of God, that sin maynot have dominion over you. He is able to save to the uttermost, but we must walk continually in Him, being led by His Spirit, & not by our flesh. Fear the Lord, & shun evil; donot give the devil a foothold. May He bring you to Glory!
