I would love to go but it's a 22 hours drive from my house!! I wish I could figure out how to host him anywhere close to Knoxville, TN!

God bless you all and have a wonderful time in the Lord,

Lisa

I have been trying to watch the conference, but it keeps cutting in and out - such that I miss most of what is being said. Is anyone else watching and having the same problem?

Heartsong,

If you're still having problems I'll let them know. However it could be your internet connection as well? I had a friend earlier that was watching it...

Lisa,

Zac preaches in beaver springs, PA usually once a year in the summer as well. That may not be as far for you!

Lord bless.

The conference has resumed.

Thank you Michelle. It was my connection. Unfortunately I didn't realize it until I read your response. God bless you!
