hi, Jesus said that He did not come to condemn the world but thru Him the world would be saved and that is why He put the cookies on the bottom shelf so that if you come to Him , He will in no way cast you out(if you come to Him you are being lead there by the Holy Spirit)rom:10 9&10 jimp

God is truly a great King..Seek Him with zealousness and He will grant your desires.

Yes we are already saved but as a servants of God we must persevere in praising His name. We are nothing and lost without Him so praise He is still sustaining everyone. He will never allow you to depart if you deserve to be saved. Love the Lord your God with all your heart,mind,soul and strength.

I will pray for my dear brother.

Don't lose hope if you fail God at times. He is so amazing to forgive everything you've done wrong.

God Bless..

Please continue to pray as some of you have remembered me in your prayers i am still seeking him so you know.
