

**General Topics :: Message Board for Young Women****Message Board for Young Women - posted by TaylorOtwell (), on: 2010/8/26 12:51**

Hey Everyone,

My wife recently opened up a message board for young women to encourage each other and talk about Titus 2 type topics.

The board is at www.youngsis.com ...

If any of you know young Christian women (15+ years old) who may be interested please let them know!

With care in Christ,
Taylor
