So we all may know about these lovely individuals that protest at funerals and other events completely misrepresenting Christ. But here in my area we just had a 14 year old girl who was raped and murdered then burned to get rid of the body. There has been organized a prayer meeting for her friends and family i believe but the good ole boys from the Westboro Baptist are deciding to protest it along with this girls funeral because she was living a life of sin. Please keep this whole situation in your prayers there has since then been a organization of people to protest the protestor? if that makes any sense. Christ will be largely misrepresented by both sides of this protest if this does happen but it doesn't seem to be something one can just stop. Thank you for your prayers and if anyone has any suggestions on how to handle this situation I would love to hear it.

God Bless,
Matthew
