Who would come up with such an idea? I'm offended.

Everyone knows that Ann Coulter is the real Ezra.

Re: , on: 2010/9/2 20:38

poor Laura Ingraham doesn't even get considered as an Ester?

And again here we go, calling everything on the right side or right wing Godly, and the left is damned?

No, we all, yes we all are commanded to repent, there is a religious right and a liberated left, but Sarah Palin will also have to repent...

We still make a mockery out of PResident Obama, I can clearly remember G W Bush being lifted up when he actually helped tear our values and country apart.

This is not about politics and the enemy is lifted up because we make it about politics and policy, we have it all wrong.....

It is a setup, a diversion, presidents are to be fasted and prayed for, our heart should burn like Finney's and Moody's for such souls, but we mock them as if they wear a brand of 666, they are monkeys, drunks, and other horrible things we have considered leaders to be.

I too am guilty of such folly, but I realize that "men must always pray and not faint by talking down or against such living human beings such as we are, we need mercy and so do these men.

Just think, GW bush, Dick Cheney, Glenn Beck, Sarah Palin or Barack Obama, I don't think they have a clue of the impact their lives and decisions will have on eternity, and we really expect or have expected them to lead us.

We all are like sheep that have gone astray, everyone of us, even as we post much of our rhetoric and discussion have all turned to our own way.

Let us see what God has to say, wait on the Lord.

I have learned a lot from a few people on this site and in life, Jesus cares and He is madly in love with the church, but we are settling for such men and women, that he will give us what we seek, just as He did with Israel....

If we don't want God, we get what we want, again, Let us seek Him while He may be found among us....

... brother, this was all just some humor. Breathe. Seriously...

Re: - posted by ManofGod0000, on: 2010/9/3 0:00

Humor, Okay!

But, I believe there are some that seriously believe much of what is posted here on the likes of such people...

I am breathing Jimmy, thank you for the correction, but it isn't humorous at all too me.

Re: - posted by KingJimmy (), on: 2010/9/3 0:03

Even if they did believe such things seriously, in light of all the heresies that have ever been propagated in the history of the world, are such things not rather small in comparison?

Re: - posted by Miccah (), on: 2010/9/3 0:13

Goodness people. LAUGH. The Lord gave you a smile, use it.

Sometimes the best way to deal with life after prayer, is to laugh a bit. It drives the enemy nutty.

Blessings KingJimmy. This made me smile. :-)

Brethren,

On the one handÂ...

I therefore, a prisoner for the Lord, urge you to walk in a manner worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace.

(Ephesians 4:1-3)

On the other handÂ...

Let us not become conceited, provoking one another, envying one another.

(Galatians 5:26)

But ratherÂ...

Let us consider how to stir up one another to love and good works

(Hebrews 10:24)

ForÂ...

I fear that perhaps when I come I may find you not as I wish, and that you may find me not as you wish--that perhaps there may be quarreling, jealousy, anger, hostility, slander, gossip, conceit, and disorder.

(2 Corinthians 12:20)

AndÂ...

By this it is evident who are the children of God, and who are the children of the devil: whoever does not practice righteousness is not of God, nor is the one who does not love his brother.

(1 John 3:10)

Doing soÂ...

By this all people will know that you are my disciples, if you have love for one another."

(John 13:35)

Ya sure Sarah Palin is not America's Deborah and Obama Barak?

Re: - posted by Compton (), on: 2010/9/3 10:00

The point of Jimmy's original post was to laugh a little at himself and to make peace with the rest of brethren here over a heated disagreement.

The thing I've learned from all of this is we aren't really listening to one another. Sure, we hear each others syllables but we aren't so quick to listen to each others spirit.

I marvel what kin thou and thy daughters are: they'll have me whipped for speaking true; thou'lt have me whipped for lying; and sometimes I am whipped for holding my peace... King Lear Act 1 Scene 4

...and we should acknowledge that humor can mask other motives as well, which I think was the point of warning offered by ManofGod. My point is I perceived that the original post was done to disarm, not arm.
