I saw a video on Yahoo that reported that Satanists are going to be allowed the use of a public building in Oklahoma City for "worship." What in the name of "religious tolerance" and political correctness is going on?? Please lift the people of Oklahoma City in your prayers. IF you give Satan an inch; he will be your ruler!!

As we know scripture tells us about 'the prince of the power of the air, the spirit who now works in the sons of disobedience', Eph 2v2.

But, I also understand the concern you have. And rightly so.

Also, I think the word concern is an understatement.

This is religious tolerance gone wild.

sin is as long as you let it go unrepented. It could be a min. or a lifetime. A Godly sorrow brings forth repentance.
