We can't force our loved ones to follow God  
But we cover them in prayer  
Thus our love will rise to the Throne of Grace  
And meet the Saviour there

We can't follow feet upon the earth  
When ours have feebler grown  
But our prayers run ahead and reach God's ear  
Each cry and heart-rent groan

We can't fill the pitfalls that lie in wait  
For a loved one to fall in  
But our cry to God can let His voice  
Confront them in their sin

Never underestimate the reach of  
GOD'S grace, the depth of HIS love,  
or the power of HIS Spirit !!

Good word. I have a big family shindig coming up the 3 weeks and feeling pretty unprepared, but this is timely.

Thank you! God bless.
