It is with excitement and expectation that we are putting out this new edition of Bounds on prayer. There is a sense of anticipation for the working of God in people's lives, knowing that this book cannot leave someone neutral.

FROM THE BACKCOVER:

E.M. Bounds (1835-1913) An American prophet of prayer. Bounds cried out for holiness in the Church that would set the Body of Christ to praying. He was the author of many books on prayer and preached for with the methodist movement in the United States.

"God shapes the world by prayer. Prayers are deathless. They outlive the lives of those who uttered them." - E.M. Bounds

"There are many writers, preachers, theologians, but where are the prayerers! Bounds prophetically cries out for the ministry and burden of intercession to be loosed in the Church. You cannot read Bounds and not be moved. Let this book send you to your knees and use it, for that purpose. In that Great Day, we will wish we had prayed more!" - Greg Gordon

"As breathing is a physical reality to us so prayer was a reality for Bounds. He took the command, 'Pray without ceasing' almost as literally as animate nature takes the law of the reflex nervous system, which controls our breathing." - Claude Chilton
