Saints,

If someone felt led it would be tremendous to have all of the revival conference texas messages transcribed into text format. I would love to compile them all into a book to promote these messages further:

A Desperate Hour Calls For A Radical Response by Brian Long

A Revival Of God's Word by Jose Muniz

A Revival Of Humility by Kevin Turner

A Revival Of Poverty by Derek Melton

A Revival Of The Cross by Randy Jones

Dividing Brothers Hinders Personal Revival by Alan Martin

Just Following Jesus by K.P. Yohannan

Revival In The Land by Al Whittinghill

Revival: A New Wineskin by Trevor N Vosloo

Satanic Warfare: The Road To Revival by Keith Daniel

I would like to transcribe the messages by Brian Long, Alan Martin and Al Whittinghill. Please could you confirm that this is not already being done by someone else, as they do take ages.

Many thanks.
