I would just like to ask for prayer for a dear sister in Christ, she has just relapsed into Alcohol after 19 years of sobriety . She has also filling out divorce papers and leaving her current husband for her ex-husband who seems to be the source of the changed behaviour. I pray God reveals her heart and shows her the blackness of it on top of the hope of Jesus Christ to give us a new heart. I ask you lift her up as the Spirit leads you and thank you for your prayers. Ultimately I ask the Father's will be done in all things.

God Bless,
Matthew
