Saints,

I am excited that we are capturing these revival conference sessions on DVD for only \$25 for the entire conference and all the profits of these goes to missions. Please consider ordering them to edify yourself and to support missions.

Again the whole set of 10 sessions will just be \$25 that ALL GOES TO MISSIONS!

You can pre-order here and it will be shipped out to you after the conference is over: <http://www.gfa.org/store/item/sermon-index-2010-conference-dvd/>
