Q. How Do you download the video sermons? - posted by sermonindex (), on: 2010/12/13 12:17

Saints,

We have added this FAQ question to the contact us page because of the amount of requests.

Q. How Do you download the video sermons?

Answer. To download the video sermons to your desktop simply go to the video on sermonindex and you will have to click on the bottom right corner of the video on the youtube logo to open a new page. Then cut and past the url from that new page into the keepvid.com website.
