Prayer for elderly women at my work, on: 2010/12/18 0:57

If you want you can keep all the elderly at my work in prayer many are lonely and sick. My work is called Paradise Park, if you want to pray for the workers to and their salvation along with the elderly that would be great. Their is a christian lady that is named June such a sweet lady, but she doesn't have the money for a hearing aid. Can you please pray that God would open the door for that or heal her hearing condition. I sometimes have to preach really loud well you have to talk loud just for her to hear. I feel real bad for her.

I have prayed and I believe the Lord will answer; not b/c I prayed but b/c of your heart.

God bless you,
lisa

I will be praying, and thank you for the reminder that there are many more people that stay at rest homes and nursing homes that have no one visit them even this time of year.

God Bless,
Matthew

Yes, Lord. Send us Lord. Lay it upon the hearts of those who love You dear Lord to go forth and minister Your love to these who have lived out their days and feel forgotten. Send us Lord to the prisons, to the streets, to the nursing homes to the youth on the streets O Lord. Holy Spirit I pray you wont stop tugging at our hearts until we are going to the hurting, the lost with Your love Lord.

Bless the person who goes to share Your love and open up the ears of this woman to hear what You have to say to her.

We love You Lord and know when we do it to the least of these we are doing it to You Lord. Be glorified Lord. Be glorified. In Jesus powerful Name.

I actually got her a gift today for christmas it was a Matthew Henry Study Bible with much of his commentary on almost every verse. She had a hard time understanding things at times and really does not have much christian material so I have been trying to give her as much as possible. She also hasn't gone to her home church in a long time so because the Lord has blessed me with much material I gave her some. With the rest of the elderly their many are lonely and some with dementia and memory problems they are such desperate need of prayer. Many have heard me preach their the gospel and I still haven't seen them changed at least yet, so if you can pray for them all. I really believe the Lord can deliver some of them from their diseases and many other things. We just got new ownership this past week so their could be changes if you want pray for the workers and the business itself. God bless you all for your great concern for them Love you in Christ John

Praise GOD! This was next to turn over to page 2. I was sitting here for a while just praying over all these request threads on this section of the forum and here was this post. It sure does put tears in the eyes.

Amen Jim. Amen!

The old lady June today wanted to take a look at my Macarthur Esv study Bible that she had looked at before, I had recently just bought her Matthew Henry KJv study Bible as a gift, but she wanted to read this. She really likes the info on the study bible from Macarthur so I asked her if she wanted to trade Bibles and she wanted to badly. So we did, the crazy thing is that I asked God the day I got the Macarthur Study Bible that if the Lord wanted me to give it away to someone that I would if he made it clear. Well June told me that for the past 2 weeks she had thought about trading Bibles with me since the last time I asked her, I knew this was a sign from the Lord. I am just happy to bless her and help her, just hope she gets hearing aids soon.

Please keep June in prayer I had recently just got her today a book called the Normal christian Life by Watchman Nee, I thought it would be a great book that is very simple but greatly profound and deep. I have seen through reviews that it has impacted many peoples lives, just pray that it blesses her and that the Lord continues to bless her and speak to her. Please pray for my bible study at work to, I have been doing it about 8 months and it has been such a blessing. We are going through the book of Romans right now, basically went through all of Mark. I just desire that they all grow and if any are not saved that they come to salvation. It is just such a great privelege God has given me.
