Any one in Mexico right now? - posted by Ruthiepoothie (), on: 2010/12/21 15:31

Hello,

I am just wondering if there are any Christians serving in Mexico that are currently members on this site, if so, I would like to know specific needs. Burdened for you and praying,

God Bless you and grant you peace

I apologize about being a little unsure how to search through the chat forums for prayer requests, needs, etc regarding servants in Mexico.

If anyone can help me with how to search through the chat forums that would be great!
